Murphy Technologies (601) 255-8255 sales@murphyla.com

www.murphyla.com

Streamline your business with WorkOps CRM:

Sales, Service, Operations & More - All in One Place!

Key Features

- Sales & Quotes

Track leads, manage accounts, and generate professional quotes and proposals.

- Mailing Lists & Campaigns

Build targeted customer lists and run email campaigns to grow your business.

- Service Tickets & Work Orders

Manage customer requests, assign tasks, and monitor progress in real time.

- Vehicle Mileage & Fleet Maintenance

Track vehicle usage, schedule maintenance, and optimize fleet operations.

- Employee Timesheets

Record hours, approve timesheets, and simplify payroll.

- Integrated Calendar

Schedule events, appointments, and reminders for your whole team.

- To-Do Lists & Tasks

Assign and monitor to-dos to keep everyone on track.

- Inventory Management

Control stock, receive alerts, and automate reordering.

- Mobile-Friendly & Cloud-Based

Access all features securely from anywhere, on any device.

Why WorkOps?

- Centralize all your business processes in one easy-to-use dashboard.
- Save time, eliminate paperwork, and reduce errors.
- Boost team productivity and accountability.
- Scalable for small businesses, contractors, and enterprise teams.
